Crafting Comfort Creating Style

SS-304 Braided Hose

Available in Sizes from 12 to 60 inches

Manufactured with premium 304 stainless steel braided wire, EPDM inner tube, and brass inner fittings for superior strength & corrosion resistance. Engineered for long-lasting performance

Tested up to 120°C temperature and 80 bar pressure

Built in silicone seal
no leakage

Encryption steel wire
not burst

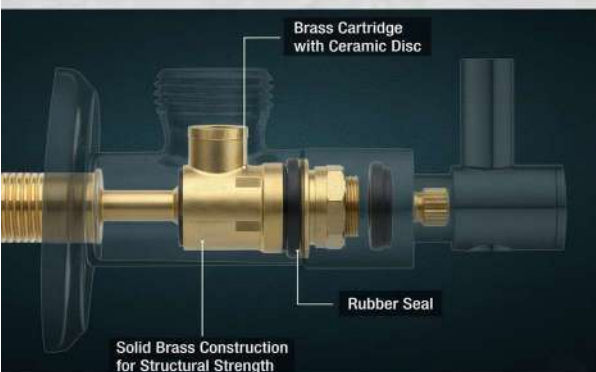

Double ring seal
no leakage

Brass Angle Valves

Crafted in collaboration with one of India's leading manufacturers, our Full Brass Angle Valve is made from 100% pure brass to ensure exceptional strength, durability, and long-lasting performance. Engineered with precision and built to the highest quality standards, it delivers smooth operation, superior leak-proof performance, and outstanding resistance to corrosion. The solid brass construction enhances structural integrity, making it a reliable choice for modern bathrooms and plumbing systems where performance and longevity matter most.
